Kuali Coeus Version 3.1 Release Notes

Date: July 1, 2011

Copyright © 2011 Kuali Foundation, Inc.

Purpose

The purpose of this document is to summarize the major changes and enhancements included in this latest software application system release version.

Important Note

When installing KC 3.1, please leave KFS integration "off" for now. We are delivering parts of this code in KC 3.1, but it will not be complete until KC 3.1.1 which is expected to be released within the next two months. KFS integration is packaged as "off" out of the box for KC 3.1.
